GROUP

www.ibicgroup.com

ABOUT US..

IBIC Group is an Egyptian Company registered in the manufacturing, International trading, export and import, distribution, and commercial agencies.

IBIC is focused on agriculture, food processing and supply, frozen fruits, vegetables, and food commodities produced under our brand La Vida, with our factory located in Kafr El Sheikh - Egypt, and sales offices in Italy USA, Russia and Saudi Arabia.

Based on our rigorous commitment to the highest standards of quality, we insist on controlling the production cycle from farm to final product, with visibility and quality assurance at each phase. Through our regular Inspection and monitoring, our products have acquired a reputation of consistency as well as quality. We further employ the latest technology of IQF Freezing to ensure quality, freshness and shelf-life is maintained at the highest parameters.

IBIC International Trading & Investment is equipped with all international accreditation from 150 9001 150 ,22000, Global Gap, HACCP, Sedex and FDA

OUR VISION..

To be the leading and preferred exporter with quality, service, and values as our highest priority, to satisfy the needs of our customers, employees, and stakeholders.

OUR MISSION..

IBIC has a unique vision of establishing its prime sources worldwide by tapping into emerging markets to attain the highest quality products at the best possible value to our consumers.

We are prepared to go "the last mile" to the "remotest" villages and farms to discover the finest products and bring them to market quickly, reliably, and at competitive prices.

OPERATION STRATEGY..

IBIC sources most of its products from its farms directly and from farms we supervise, located mainly in Egypt and neighboring countries. Our factory and warehouses are located near the farms where these products grow to ensure freshness and are also equipped with a wide range of packaging options to fill the market's needs.

WHAT WE OFFER

IBIC supplies a wide range of frozen fruits, vegetables, and other food commodities produced under our brand, La Vida.

We control the production process from farming to final product packaging, ensuring the highest quality standards and competitive pricing.

We further offer "Private Labeling service for end-use supermarkets and food distributors.

OUR VALUES

• Customer First

We respect our valued customers and welcome the opportunity to work closely with them to understand their needs to tailor a win-win model for our business partners.

• Accountability

We strive to provide value to our customers in a highly competitive business. When dealing with IBIC or any of its affiliates, you are dealing with an organization that knows and understands the industry and your business and is willing to stand behind every product it sells with the highest service excellence.

• Honesty

We will always represent ourselves and our products with honesty and integrity. We will always adhere to supplying the quality as promised for the price, as promised, within agreed-upon timelines, and within the terms agreed. We hold ourselves accountable to this standard based on our desire for long-term, mutually beneficial client relationships, which we believe are built on trust, transparency, and integrity.

• Reliability

Two main factors ensure our Reliability:

- 1- Our intimate relationship with production sites, farmers and our continuous presence within proximity to each stakeholder of the business cycle.
- 2- Multiple geographically disparate sources guarantee the ability to maintain agreements should any crop be affected by unexpected environmental factors.

• Quality Control

Quality is our top priority in product delivery and customer service. We have implemented and monitored food safety regulations, ISO 22000, PC and HACCP, and FDA requirements to ensure the maximum quality standards.

WHY CHOOSE IBIC ?

Traceability

With our documentation system and certifications, we can trace any lot during any phase of the production cycle, from farm to customer.

Post Sale Support

We are committed to a %100 satisfaction policy. Any post-sales concerns will maintain the highest priority until a resolution is reached.

Sustainability

We have secured our position as a fair-price reliable buyer of small farm produce and developed direct relationships with farmers and producers, thus creating redundancy in food supplies and the sustainability of our products and pricing, which we are expecting to be maintained into the distant future.

100% Sampling & Inspection

We test, inspect, and analyze every package, so you are assured that analysis represents the entire lot.
